

## **Scope**

The Scientific Journal “FPDD – Desporto e Atividade Física para Todos” (ISSN 2183-511X), is published on behalf of the Portuguese Sports Federation for People with Disabilities. The scope of this journal covers exercise for health, promotion of healthy lifestyles, and socialisation through sport, with a specific focus on people with disabilities. The aim of this journal is to provide a contemporary forum for high quality, impactful scholarly research relating to sport, physical activity and disability for a national and international readership.

This journal publishes research conducted in all contexts, and particularly encourages work with a focus on school physical education, sports participation, and active leisure programs. Both original empirical and review studies will be considered for publication.

## **Submission**

Authors should submit original articles in electronic form, by e-mail, to the Editor-in-chief (revista@fpdd.org). All submissions will undergo blind peer review by acknowledged content area experts. The Editor-in-chief will have final decision on publication. The deadline for submission is July 30 st.

## **Format**

Manuscripts must be written in Portuguese, English or Spanish. The suggested layout for the main body of the text is: Introduction, Methods, Results, Discussion, Conclusions, Acknowledgements and References. However, it is acceptable to have a section of results/discussion. Further variation is possible for review articles, case studies or professional practices reports.

Abstracts of no more than 200 words are required for all submitted manuscripts. Each manuscript should have 3 to 6 unique keywords that are not included in the title. When the paper is written in Portuguese or Spanish, an additional abstract and title in English are required.

Tables should normally only include horizontal lines to mark the top and bottom and separate column headings from the main body of the table.

## **Page Layout**

Pages must be formatted using A4 margins of 3cm at the top, bottom, left and right. The manuscript should be double-spaced, and all text justified. Article should not exceed 5,000 words (not including references, tables, figures and captions).

## **Title Page**

The following information should be included on the first page of the manuscript: the full title (no more 12 words); a running title (no more than 5 words); the names of all authors; the

affiliations and full addresses of the authors; the name, address and e-mail address of the corresponding author. One author should be identified as the corresponding author. Please note that the email address of the corresponding author will normally be displayed in the PDF article.
